MENTÉS

Registration and contract on e-track site

- After registration the system will send a confirmation email to your given email address
- Please click on the activation link. As a result you'll be redirected to a login page.
- Please login with your account.
- After login you'll be redirected to the registration page, what you can update if it is needed, or you can select from the below menu:

- Selecting the '**Show Contract and GCT**' button you can re-read and print the order-contract
- To continue the registration please click '**OBUID request**' button followed by the '**Request New OBUID(s)**'
- Please request as many OBU ID as many OBUs you have and you want to make e-tool declaration with them through e-track Informatics Ltd.
- The requested OBUIDs you can export or print for later processing during registration on HU-GO site.

Registration HUGO site

- After you got the requested OBUIDs please go to HUGO site (www.hu-go.hu)
- If you already have a registration on HUGO site please login with your account if not please register and follow the HUGO registration processes.
- **Select ' Account Administration' and select 'Yes' for the 'Fine alert via email' setting.**
- Please add all your trucks to HUGO.
- Select '**Vehicles attached to this account**'.
- On the page with registered vehicles select '**Attach OBU**'
- In the OBU ID field enter one of OBU ID recieved from e-track.
- OBU PIN leave it blank.
- Decide how you want to change the vehicle category. If you have chosen '**on the HUGO portal**', your registration is complete and declaration for the registered truck will start automatically.

Category change through e-track

- It is possible to make the category change through e-track sending SMS from authorized phone number.
- If you have had selected during OBU registration on HUGO site: 'with the Toll Declaration Operator', please go back to e-track site (<http://e-track.eu/hugo>) and select 'OBU List'
- On the OBU list page you can see all your OBU and registered plate numbers
- From the OBU List select 'EDIT' for each OBUID where you want to make category change.
- You can add 3 (three) mobile phone numbers from which e-track will accept category change SMS.
- Please add the phone numbers in international format (+36 20 1234567)
- After the registration is complete you can make category change sending SMS to our SMS gateway: **+36709054595** .
- The message should contain the OBUID and the new category separated by comma.
- Example: [921991000396](tel:921991000396),J4.
